Job Description

Due to our continued growth, we are seeking a Broker-Dealer/RIA Operations and Processing Specialist that has the potential to progress into full time employment. The following are the primary responsibilities for this role in Austin, Texas:

- Data entry for new accounts within the Broker Dealer
- Assist with operational support
- Respond to inquiries regarding the following:
 - Account servicing
 - NetX360
 - Albridge
 - Product knowledge
 - Retirement plans
- Compose and prepare correspondence to ensure prompt and appropriate responses
- Schedule appointments and meetings in addition to making conference and travel arrangements
- Ensure continuous workflow distribution to appropriate areas and initiate follow-up action as necessary
- May be asked to answer, screen, and direct incoming calls, visitors, and correspondence
- Receive and review daily mail and immediately respond to issues/requests on behalf all staff
- Gather, summarize, and analyze data. Prepare special reports as needed
- Other duties and responsibilities as assigned

Desired Skills and Experience

The ideal candidate should possess over 2 years with data entry in the financial services arena. Experience in the FINRA and SEC regulated Broker-Dealer/RIA space is a plus.

The qualities and skills of the candidates considered are:

- Demonstration of professionalism, accountability, customer/client focus, and teamwork
- Excellent interpersonal communication skills, both written and verbal
- Strong organizational skills with ability to prioritize activities

- Maintain a strong client focus and the desire to build relationships during each interaction
- Strong technical skills in the MS Office software suite (Word, Excel, PowerPoint, Outlook, etc.)
- Capable of handling multiple tasks and responsibilities
- Ability to work independently and take initiative while being part of a team
- Proven work ethic with a high level of integrity to build trust with our clients and colleagues
- Can get excited about joining a start-up team and contributing to the direction and growth of the company over time
- Knowledge of Appointments, Life Insurance, and Annuity products is preferred but not required.

Educational/Licensing Requirements

- College degree preferred or in process

Benefits

In exchange for your hard work and dedication, we offer:

- Competitive compensation package
- Medical, dental, vision and life insurance
- Voluntary disability
- Paid time off
- 401K with company match
- Office snacks, coffee and drinks
